ADVANCED PASSENGER INFORMATION

BEFORE DEPARTURE

Conditions of Contract

Passengers on a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that international treaties known as the Montreal Convention, or its predecessor, the Warsaw Convention, including its amendments (the Warsaw Convention System), may apply to the entire journey, including any portion thereof within a country. For such passengers, the applicable treaty, including special contracts of carriage embodied in any applicable tariffs, governs and may limit the liability of the carrier.

CHECK-IN, BOARDING

Reservation number **T3VVNQ**

E-ticket number **118-2121733957**

Online check-in

You can check in online for flights to Europe up to 36 hours and for the USA up to 24 hours before departure.

If you use online or mobile telephone check-in and do not need to check any baggage, you can arrive at the airport a bit later than other passengers. However, you must still respect the boarding deadline, after which it is no longer guaranteed that you will be able to check-in.

Self service check-in

You can check-in yourself at the airport using the reservation number **T3VVNQ** on a self check-in terminal. You can also go to the counters and present this document to the hostess.

We recommend that you ensure that any liquids, aerosols or gels that are included in your carry-on bags adhere to current restrictions. Visit the [TSA website](http://www.tsa.gov/) for details regarding these security measures.
